Submitted to His Highness.

The amending Bill of the Mysore University Regulation comes up for consideration at the meeting of the Legislative Council on the 14th December. As this is a Bill involving several technical questions it is desirable to nominate as provided for in the proviso to Section 4 of the Legislative Council Regulation, some one with special knowledge and experience to place it before the Legislative Council. I consulted the Vice.Chancellor and suggested to him that it would be desirable for him alone to introduce the Bill and see to its passing through the Legislative Council. He has consented to do so.

Dear Dr Sir Brajendranath Seal,

I am desired to invite reference to the last proviso of section 4 of the Mysore Legislative Council Regulation which allows of ~~&&&&~~ the appointment as members of the Legislative Council of not more than two persons having special knowledge and experience of the subject matter of a bill, while that Bill is under consideration. The amendment of the Mysore University Regulation comes up for consideration before the meeting of the Legislative Council on the 14th instant.

Government consider it desirable to nominate some one connected with the University to explain the technical aspects of the question, when the Bill comes up for discussion and will be glad to nominate you if you are willing to pilot the bill through the Legislative Council.

If for any reason this course is not convenient I am to request you to mention the name of any other person whom you consider to be specially qualified to be nominated as a special member during the consideration of the Bill.

Yours sincerely,

Ch Ley

If the Government should agree to appoint a second person possessing special knowledge and experience of the subject matter of the Bill, I would recommend Mr. S.Venkatesaiya, (of Hassan) a non-official member of the Senate, who is thoroughly in touch with the position of the Senate (and the Re-organisation Committee) in this matter.

Yours sincerely,
